

Leading environmentalists

David Holmgren

and

Rob Gell

will discuss climate change and how we deal with it at a free

Information and Action Forum

Our politicians are more concerned about the current financial crisis than the impending environmental collapse that is a far bigger threat to our future. Communities must take responsibility and act now!

Hepburn Wind has so far raised over \$2.5m towards a community wind farm that will show the way for other communities across the country and deliver real financial and community benefits to Hepburn Shire. But more needs to be done.

Journalist and Al Gore Climate Change Ambassador

Tracey Curro

will host this informative and motivating evening at

**Daylesford Town Hall
Tuesday 2 December at 7.30pm**
