

Join us to Celebrate New Year's Eve in Daylesford

What better way to start the New Year than by joining us in the New Year's Eve parade in Daylesford on our very own Hepburn Wind float. This traditional community parade is always lots of fun and a great chance to promote our community owned renewable energy project.

Our theme will be centred around a "sustainable future for our children" and so we are very keen to have lots of children who are members of Hepburn Wind and their families participate by being on the float or walking alongside the float -- those of you who may have passed that childhood stage some time ago are also most welcome! By coming along waving windmills and throwing lollies to the crowd, we can show everyone how many people are proud to be part of this project.

If you are interested in being in the parade please rsvp to Vicki Horrigan vicki.horrigan@hepburnwind.com.au including numbers of children and we will send further details about the event.

We look forward to seeing you at the parade and to all our supporters best wishes for Christmas and the New Year.

Kind regards

Vicki Horrigan
Director, Hepburn Wind
