67 new members this month!

We welcome the 67 new members that joined up and say thank you to 41 existing members that 'upped' their shareholding.

On 1 July our share price will rise to \$1.10 so get in quick to beat the price rise!

Premier's accolade

We were blown away to receive the Premier's Sustainability Award. Our community has been recognised for outstanding leadership, creativity and innovation. We are helping to build a sustainable Victoria, both now and for the future.

We can't wait...

The turbines are now completely 'energised' and we are now just waiting on one final electrical approval before generating.

Did you know?

More than 40 groups around the country are investigating implementing variants of the Hepburn Model in their own communities, including Castlemaine, Woodend, Denmark WA and Armidale NSW. Community energy is gaining momentum!

Locals can join from \$100
